Verwende anstatt der Konstruktionselemente auch deine Bausteine anderer Hersteller.

*Use your building blocks from other manufacturers instead of the construction elements.*

1:1

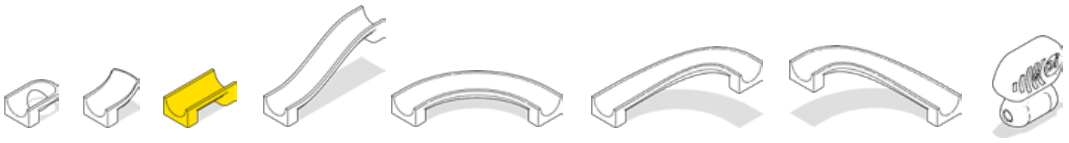

# 1

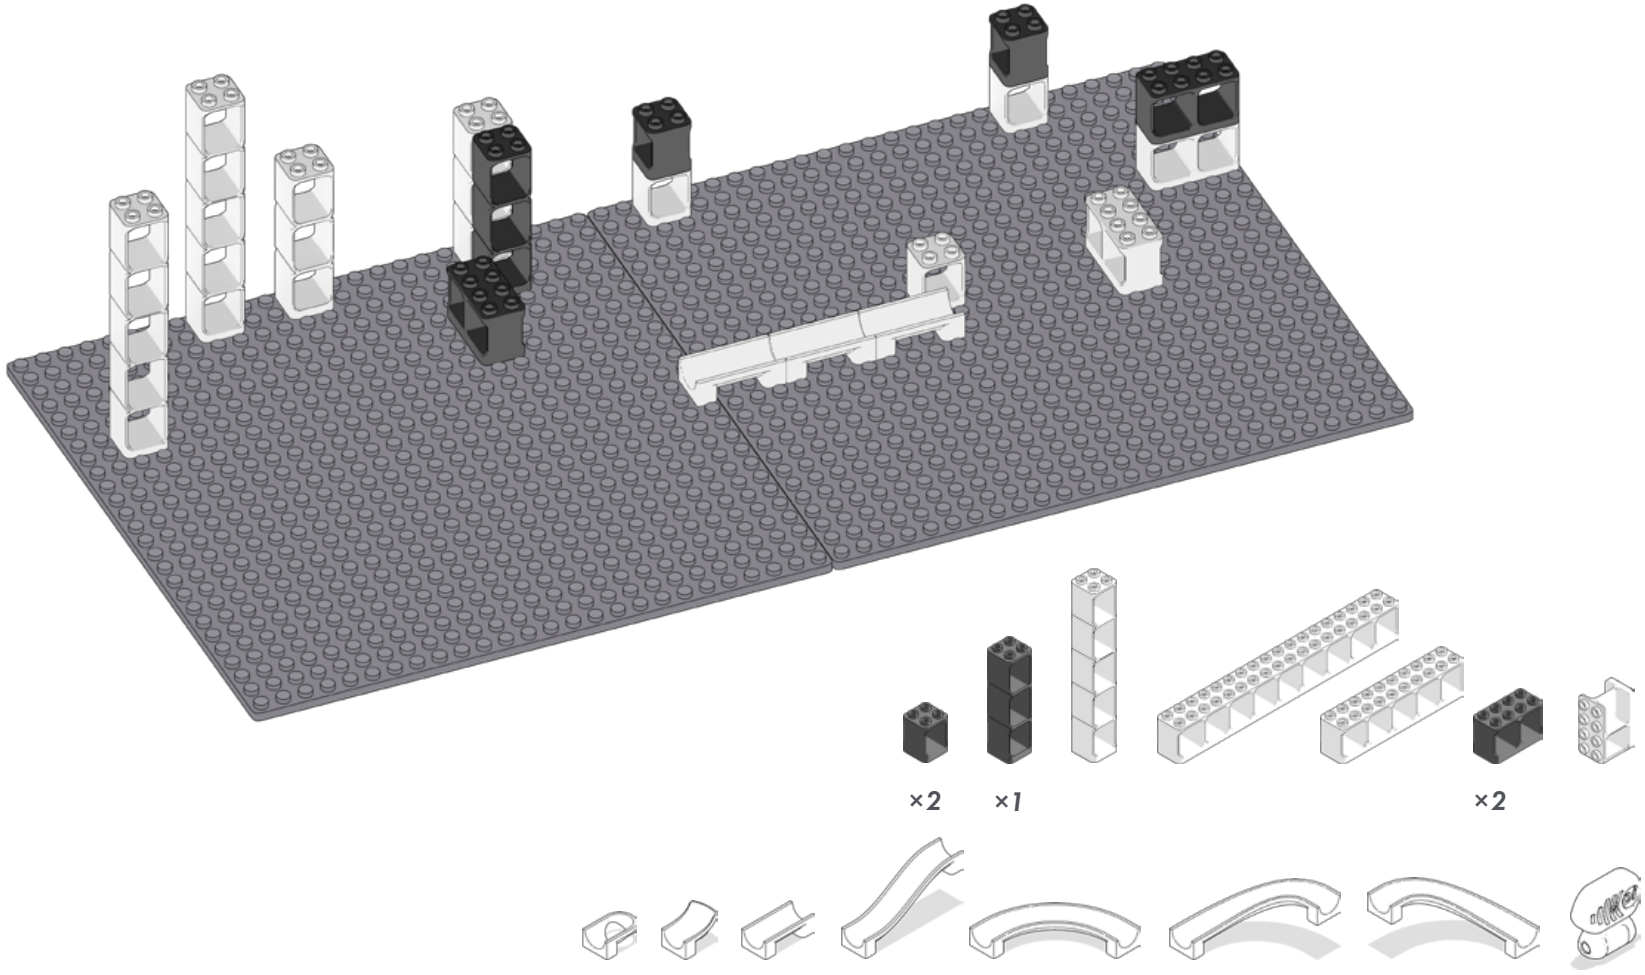

Wenn du für den Aufbau Bausteine anstatt Konstruktionselemente verwendest, musst du besonders auf die Stabilität achten.

*If you use building blocks instead of construction elements for the structure, you must pay attention to stability.*

Wenn du weitere Bauteile hast, kannst du ab hier die Kugelbahn nach deinen eigenen Vorstellungen weiterbauen.

*If you have more components, you can continue building the marble run however you like from here.*
